C. Mobile Banking Service

Description of Service

Mobile Banking is a secure service provided to you for the convenience of managing your accounts on the go. This is a supplemental service of the Bank’s 24/7 Online Banking service. It is not intended to replace access to 24/7 Online Banking from your personal computer or other methods you use for managing your accounts and services. Mobile Banking allows you to access your Pendleton Community Bank account information to:

- view transactions
- transfer funds between your authorized accounts
- pay a bill to an established payee
- view Mobile Banking alerts

To utilize the Mobile Banking Service, you must first enroll to use 24/7 Online Banking and then activate your Device within the Online Banking system.

The Mobile Banking Service is a free service provided by the Bank. However, standard internet service, web access and text messaging rates may apply. Check with your mobile service provider for details.

The Bank reserves the right to limit the types and number of accounts eligible and the right to refuse any transaction you request through Mobile Banking. The Bank also reserves the right to modify the Mobile Banking Service at any time.

You may access your accounts through the Bank's Mobile Banking Service 24 hours a day, seven days a week unless the system is unavailable for necessary system maintenance. Scheduled transfers are processed Monday through Friday at 6:00 p.m. Transfers entered after 6:00 p.m. will be processed the next business day. Any transfers scheduled on a weekend or bank holiday will be processed on the previous day. Your monthly account statement will show your Electronic Funds Transfers.

Mobile Banking may not be accessible or may have limited utility over some network carriers. In addition, the Service may not be supported by all Devices. Pendleton Community Bank cannot guarantee, nor is responsible for the availability of data services provided by your mobile carrier, such as data outages or "out of range" issues.

F. Pre-Authorized Accounts

Any authorized account holder on the account can enroll the account in the Mobile Banking service. This includes all deposit and loan accounts. You may add, change or remove any account in Mobile Banking by logging into your 24/7 Online Banking account and clicking on the Mobile Banking tab. All of your deposit and loan accounts may not be available for pre-authorized transfer of funds. An account that requires multiple signatures to authorize debits is not eligible for funds transfer services. Federal regulations state that you cannot make more than six (6) pre-authorized or automatic transfers from a Money Market Account or Savings Account during each statement cycle. Transfers can be made from a checking account, savings account or a revolving home equity loan to a checking, savings, or loan account. Please contact your nearest Pendleton Community Bank office for more information.

G. No Signature Required

When you elect to transfer funds between your pre-authorized Bank account(s), you authorize the Bank to honor debits drawn against your accounts without presence of your written signature.

H. User Name and Password

Your user name and password are defined by you. The password must contain 8 (eight) to 12 (twelve) characters, and any combination of letters and numbers. You can change your password at any time and we recommend that you change it regularly. If you forget your password, contact your nearest Pendleton Community Bank office. If you share your user name and password with others to act on your behalf, you are responsible for all activity performed under your user name and password.

I. Account Balance Verification

You can log in your mobile banking account at any time to access current balances, items presented for payment against your account (checks, ATM transactions, debit card purchases) and deposits. Balances shown in your account may include deposits subject to verification by us. The balance may differ from your records due to deposits in progress, outstanding checks or other withdrawals, payments or charges.

Balances are updated periodically and the system shows the most current date on the accounts summary page. There may be situations which cause a delay in an update of your balances. The system will use the current available balance at the time of the transaction to approve or deny a transaction.

J. Changes to Charges, Fees or Other Terms

Pendleton Community Bank reserves the right to change the charges, fees or other terms described in the Mobile Banking Service Addendum. When changes are made to any fees, charges, or other terms, we shall update the Mobile Banking Service Addendum and notify you of the changes via Online Banking Secure Messaging and/or via the remarks section on the first page of the 24/7 Online Banking screen. The notice will be posted or sent at least thirty (30) days in advance of the effective date unless an immediate change is necessary for any unforeseen circumstances. If an immediate change is made, and it can be disclosed without jeopardizing the safety of the system, we will notify you within thirty (30) days after the change. You may choose to accept or decline changes by continuing or discontinuing the accounts or services to which these changes relate.

K. Right of Termination

You may cancel your Mobile Banking access at any time by logging into your 24/7 Online Banking account and clicking the Mobile Banking tab. Uncheck the 'Activate mobile banking access' then agree to the agreement and click on Submit.

L. Disclosure of Account Information
