

# PCB Loan Online Payments

The PCB online loan payment site is a fast, convenient, and secure method to make a PCB loan payment electronically using the internet. Make a one-time (PAY NOW) payment or create an account to schedule recurring payments.

## One-Time PAY NOW Payments

A one-time PAY NOW payment allows you to make a payment without setting up an account. This feature is recommended if the payment amount changes and a recurring payment is not ideal, or if you do not want to store your personal information in the system.

- Go to [www.yourbank.bank](http://www.yourbank.bank). To make a loan payment, click on Personal/Lending/Make a Loan Payment or go to [PCB Online Payments](#).
- Select the PAY NOW option on the online payments website.

### PCB Online Payments

Welcome to PCB's portal to accept online payments. Create an account and LOGIN to make a payment, view payment history and manage payment accounts. Select PAY NOW to make an immediate, one-time payment.

This session will close after a period of inactivity. If this session ends, please login again.

- The account validation page appears. Enter first name of the primary account holder the last six (6) digits of the primary account holder's social security number or business tax ID number. Click CONTINUE.

### PAY NOW

Payments submitted after 9:00 PM Eastern Time will post to the account the next bank business day. It can take up to 3 business days for funds to be deducted from your bank checking/savings account. To avoid bank fees for non-sufficient funds, please make sure you have sufficient funds in your bank account to fulfill the payment amount.

- To finalize the payment, click on CONTINUE.

- When the confirmation screen appears, verify that all information on the screen is correct.
- Scroll down to the *Authorization Agreement* portion of the screen and select AGREE AND SUBMIT.

### Authorization Agreement:

I, **Jack Smith**, authorize **Brad's Test Merchant** to electronically debit my account for the amount indicated above.

I agree to have sufficient funds in my account for the transaction above, and understand that my financial institution may assess fees if there are insufficient funds in my account. I acknowledge that it will not be the responsibility of **Brad's Test Merchant** to pay any transaction fees that may be assessed by my financial institution.

In the case of a returned transaction, I authorize the resubmission of the entry and, as applicable, an additional debit of the above account up to the state maximum return fee amount.

My entry of the information above and the acceptance of this agreement shall be my signature to execute this transaction.

The acceptance of this agreement may be revoked, prior to the processing of this transaction, by contacting us at **877-359-5500**

- When the *Username / Password Retrieval* screen appears:
  - Verify that the **I have forgotten my password** option is selected.
  - Enter your username into the **Username** field.
  - Click **Next**.

### Username / Password Retrieval

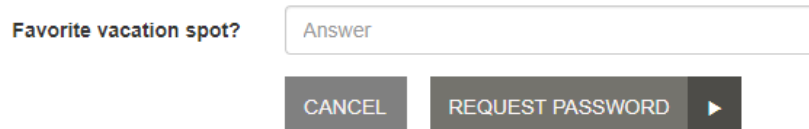

I have forgotten my username

I have forgotten my password

Username \*

- When the *Secret Question* screen appears:
  - Enter the answer to the secret question. (You set this up during account registration.)
  - Click **Request Password**.

### Secret Question

Favorite vacation spot?

- When the *Forgot Password Confirmation* screen appears, go to your email inbox for the account you used to register on the payment portal.
  - Open the *Password Reset Request* email message from your FI.
  - Click the URL link to proceed with creating your new password.

**NOTE:** Because this link is temporary and will expire in one hour, you must perform this step immediately.

We received a request to reset your Brad's Test Merchant password.

Click the link below to establish your new password. Because this link will expire in one hour, you should set your new password immediately.

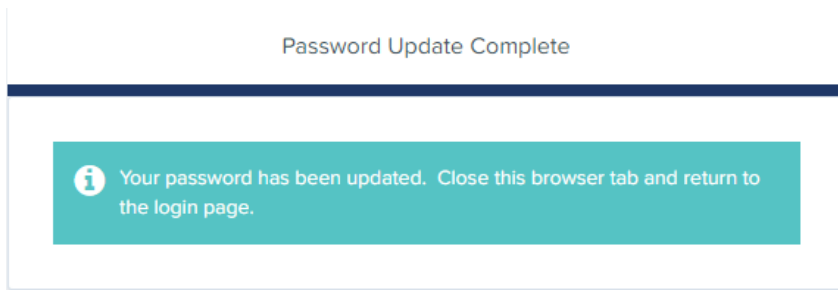

<https://qa.smartpay.profitstars.com/sts/PasswordReset?id=9>

- When the *Security Challenge* screen appears (in your web browser):
  - Enter the secret answer that you used for your security question previously during registration. The answer is case sensitive.

- Click **Submit Answer**.
- When the *Update Password* screen appears:
  - Enter a new password for your payment portal access into the **New Password** field.
  - Enter the same password into the **Confirm Password** field.
  - Click **Update Password**.

**NOTE:** Passwords must contain upper- and lowercase characters and numbers, be at least eight characters long, and must not contain the username.

- When the *Password Update Complete* screen appears, you may go to the payment portal URL and log in normally using your new password.

## Set Up a Single Payment

- From the payment portal URL, enter your username and password and then click **Login**.
