

PCB Online Payments

Online Payments are a fast, convenient, and secure method to make a PCB loan payment and safe deposit box rent payment electronically using the internet. Make a one-time (PAY NOW) payment or create an account.

One-time PAY NOW Payments

A one-time PAY NOW payment allows you to make a payment without setting up an account. This feature is recommended if the payment amount changes and a recurring payment is not ideal, or if you do not want to store your personal information in the system.

- Go to www.yourbank.bank. To make a loan payment, click on Personal/Lending/Make a Loan Payment. To make a Safe Deposit Box rent payment, click on Personal/Other Services and browse down to safe deposit boxes.
- Select the PAY NOW option on the online payments website.

PCB Online Payments

Welcome to PCB's portal to accept online payments. Create an account and LOGIN to make a payment, view payment history and manage payment accounts. Select PAY NOW to make an immediate, one-time payment.

This session will close after a period of inactivity. If this session ends, please login again.

- The account validation page appears. Enter the loan account number or the safe deposit box number and the last 4 digits of the primary account holder's social security number. Click VALIDATE ACCOUNT.

Register and Save Payment Information

Online payments can take up to 3 business days to post to your account.

Payment Amount

The loan or safe deposit box account number (depending on which you are paying)

Payment due date is the date you want the payment to process electronically.

Payment Type: pay from your bank account or by credit card.
Account type: choose checking or savings.
Name on account: name on the account you are paying from.

Enter the bank routing number and account number for the deposit account you are paying from. Click the question mark for more information.

Enter your address and a valid email address to receive the payment notification email.

Check the box if you want to create an account and save this payment information.

- A confirmation page appears. Carefully review and verify that the information is correct. Select **AGREE AND SUBMIT** to send the payment or **CANCEL** to end without submitting the payment.

Verify that all information for this **Pay Now** payment is correct, review the agreement and then click the **Agree and Submit** button to submit the payment to the bank. Online payments can take up to 3 business days to post to your account.

Authorization Agreement:

I, **Dopey Dwarf**, authorize **Pendleton Community Bank** to electronically debit my account for the amount indicated above.

I agree to have sufficient funds in my account for the transaction above, and understand that my financial institution may assess fees if there are insufficient funds in my account. I acknowledge that it will not be the responsibility of **Pendleton Community Bank** to pay any transaction fees that may be assessed by my financial institution.

In the case of a returned transaction, I authorize the resubmission of the entry and, as applicable, an additional debit of the above account up to the state maximum return fee amount.

My entry of the information above and the acceptance of this agreement shall be my signature to execute this transaction.

The acceptance of this agreement may be revoked, prior to the processing of this transaction, by contacting us at 304-358-2311

- You will receive an email confirmation from mail@yourbank.com. Below is a sample of a payment confirmation email.

Subject: Notification of Electronic Transaction

Dear Dopey Dwarf:

This email is to inform you that Pendleton Community Bank has electronically processed a single ACH debit transaction to your checking/savings account in the amount of \$1.00 from account ending with 3456 per your authorization on Friday, August 17, 2018.

This transaction will be debited from your account on Monday, August 20, 2018 and will appear on your bank statement under the electronic transaction section.

If this transaction is in error or is a fraudulent transaction please contact Pendleton Community Bank at 304-358-2311 if you have any questions or concerns. Thank you for your payment.

msgid: 500083349-38772

- It can take up to three business days for ACH and credit card payments to show on the account the payment was made from. The account you are paying to will be credited the same business day if the payment is submitted before 6:00 PM on a bank business day. Payments will credit the next business day if submitted after 6:00 PM or on weekends or federal holidays.

Create an Account

- An account allows you to enter single and/or recurring payments, maintain several accounts from which you will create payments, and view reports for previous and scheduled payments.
- Click on CREATE AN ACCOUNT to start the registration process.

Online payments can take up to 3 business days to post to your account.

Payment Options

- Payment Type: select either bank account or credit card. Bank account will require you to enter the bank account information and credit card will require you to enter the card information.
- Account Type: choose either checking or savings for bank account.
- Routing Number and Account Number: enter the bank routing number and account that you will use for the payment.
- Account Nickname: this is an optional field. You can create a name for the payment option, such as PCB Checking. For security purposes, do not use a full account number, or other sensitive information.
- Address: enter the address associated with the account or credit card.
- Click on ADD PAYMENT when all information is entered. RESET will clear the fields and does not save the information.

Recurring Payment

- Click the recurring payment link to setup the payment to occur on a schedule.
- Frequency: once a month, twice a month, once a week, every two weeks, once a quarter, twice a year and once a year.
- Payment Day: 1 thru 31 or to occur on the last day.
- Start Date: date of the first payment.
- Number of payments: number of payments to automatically pay.
- Next Payment Date: the start date and this are usually the same.
- Infinite payment: payment has no end date.
- Include a single payment now: allows you to make a payment now and schedule the recurring payment.

Edit Profile

- Select EDIT PROFILE to change your personal information, password, security question and payment options.
