## Pendleton Community Bank is ready to help!

Pendleton Community Bank was so honored to be a part of the Paycheck Protection Program's first round helping businesses throughout our community access stimulus funding and we want to say thank you. Now we look forward to continuing our responsive and reliable service with the new stimulus package and second round of Paycheck Protection Program funding passed by Congress and signed into law by the President December 27th, 2020.

**At Pendleton Community Bank we are ready and excited to partner with any local businesses and support our communities in every way possible.** We want to let everyone know we will be here to help you navigate the new round of Paycheck Protection Program funding, be your resource for information, provide guidance and tools necessary to make the application process as easy as possible, all by being your community banking partner.
